**About me**

## INTRODUCTION

Can you think of any advertised product that doesn't have sexual appeal in its run?

Hope you have heard the popular saying it is not possible to be a virgin in this present age and still be what God wants someone to be?

I am sure you have probably read or heard where being a virgin is being thrown to thrash as if it is a capital offence to do so?

I have witnessed all the three scenarios but I am telling none is correct. Only what God said is correct.

So therefore this ebook is borne out of my passion for a sexually pure youths who are Kingdom movers and shakers and it is also a testament to how my wife and I lived to the code of sexual purity till our wedding night.

It is also a testament that if my wife and I and many other married couples have done it in this sex-crazed world, you too can do it.

And if you have been deflowered consciously or unconsciously may be through rape, this book is also for you. There is restoration and hope.

Note, for the purpose of this book, sexual purity is for both guys and ladies and being a virgin refers to both.

# CHAPTER 1

## GOD'S WILL FOR YOUR LIFE.

God doesn't want you to be a virgin, He want you to be sexually pure.

***<sup>2</sup>Remember the instructions we gave you as followers of the Lord Jesus. <sup>3</sup>God wants you to be holy, so don't be immoral in the matters of sex. <sup>4</sup>Respect and honor your wife. <sup>5</sup>Don't be a slave of your desires or live like people who don't know God. <sup>6</sup>You must not cheat any of the Lord's followers in matters of sex. Remember, we warned you that He punishes everyone who does such things. <sup>7</sup>God didn't choose you to be filthy, but to be pure.' (1Thessalonian 4:2-7, CEV).***

But then what does it mean to be sexually pure? It mean to be without sexual intercourse, no passionate kissing, no fingering, no breast fondling or caressing and or any foreplay till your wedding night and when you marry, you only engage in the aforementioned sexual obligations with your spouse ONLY.

It also means not partaking in masturbation, perversions and pornography both now as a single and later as married individual.

Therefore, sexual purity is more than being a virgin because one's virginity ends on the wedding night whereas purity continues and two, sexual purity mean denying oneself of all sexual gratifications till one is licensed to do so.

Sexual purity also connotes standing for the right thing after falling into sexual sins that is saying, even though I am not a virgin again, I realize my mistake and vow never to engage in immoral acts again.

Furthermore, my dear sister, your hymen may still be intact but you know what you and that church brother of yours used to do behind closed doors but I am emphatically telling you today that God's will for your life is to abstain from all sexual immoralities.

Dear brother, it may not show on your face that you have touched, caressed and fondled all touchable, *carressable* and *fondleable* on sisters' bodies, though you haven't penetrated any but I am telling you aren't sexually pure whereas God is looking for 21<sup>st</sup> century Josephs who He has not called into uncleanness but in Holiness.

Thirdly, you might have been deflowered one way or the other but committing sin is not the problem continuing sinning is the issue. Despite what might have happened, God still want you know to keep your vessel in sanctification and honour.

Conclusively, being a virgin is great but the call to all Christians is to be sexually pure and being sexually pure involves being a virgin.

## **But is this possible?**

Yes, it is possible for someone to be sexually pure till his or her wedding night. It is possible not to have kissed or engaged in sexual foreplays till one is wedded.

My wife and I did it. Our family mentors did it. My wife's mentor and her husband did it and we are all exposed and educated individuals. It was not only us that did it but thousands of Christians did it and many Christian single guys and ladies are doing in this sexually-crazed 21<sup>st</sup> century.

***'Such a large crowd of witnesses is all around us!' (Hebrews 12:1a, CEV).***

So, if you want to do, it is possible through the help of Holy Spirit

***'... so we must get rid of everything that slows us down, especially the sin that just won't let go and we must be determined to run the race that is ahead of us. <sup>2</sup>We must keep our eyes on Jesus, who leads us and make our faith complete...' (Hebrews 12:1b – 2a, CEV).***

It is possible if you will unlearn what most secular movies, social media, music and books have taught you and learn what the bible has to say.

It is possible if you unfollow all those online influencers telling you it doesn't matter because it matters.

It is possible if you will rely on Holy Spirit.

## **...But why do I feel like this?**

How you are feeling is how you should feel as normal human being.

Having erection is not a sin. The instinct was ordained by God but what make it a sin is if you are allowing the instinct to direct you.

Being horny is not a crime. It shows you are also a complete woman – God’s masterpiece. It becomes a sin when you are expressing it as single.

But, why did God gave me, if not to use it? Yes, God gave you all those urges for you to use it but He also stated where – **strictly in the context and confines of marriage**, when – **at the appropriate time in marriage**, how – **respectfully with you spouse** and why – **for enjoyment and raising of godly offspring**.

*‘Marriage is to be held in honor among all [that is, regarded as something of great value], and the marriage bed undefiled [by immorality or by any sexual sin]; for God will judge the sexually immoral and adulterous.’ (Hebrews 13:4, AMP).*

*‘**Husbands** and **wives** should be fair with each other about having sex. A **wife** belongs to her husband instead of to herself, and a husband belongs to his wife instead.’ (1 Corinthians 7:3-4, CEV).*

The above-mentioned bible verses confirmed God’s stance about where, when, how and why.

The second reason, why you are having those feelings as a born again is that when you got born again, it was your spirit that got born again, your mind and body did not follow suit. That is why you have to constantly renew your mind with the word of God and subject your body

## CHAPTER 2

### WHAT ABOUT THIS AND WHY IS IT THAT I AM DRAWN TO EXPRESS IT?

As pointed out in the last chapter that having a sexual urge is normal, okay and Godly. Fulfilling the urge as a single individual is a sin.

Everyone feels the pressure to express this desire but tension and expression are rampant among the 21<sup>st</sup>-century generation as a result of what we hear, what we read, what we watch and who will associate with.

#### **What you hear.**

The world has told you that you should use what you have to get what you need and that it is cool to have illicit sex with your partner, once there is consent. After all, you are an adult who shouldn't be told what to do again and how are you going to know if you are sexually compatible with your partner?

But all these assertions are pure lies. One, society is neither the creator of you and sex, God is and He has exclusive copyright on His creations

***‘But Peter and John answered them, ‘whether it’s right in the sight of God for us to listen to you rather than to God, you decide. (Acts 4:19, HCSB).***

Secondly, the world fails to tell you that sexual compatibility goes beyond two partners having right-fitted sexual organs and lastly how many things which are all temporary, are you going to get with your body?

***‘The world and the desires it causes are disappearing. But if we obey God, we will live forever.’ (1 John 2:17, CEV).***

#### **What you watch.**

It has gotten so bad to the extent that a NGN300 toothpaste is advertised with half-clad lady.

In most romantic Hollywood and Nollywood films, the next scene after the lady said yes is where the two are having sex as if sex is the only thing we do in relationship.

On our social media, half-dressed ladies littered our timelines and fornicators are hailed

Pornography keeps deceiving youths into fanciful and unrealistic sexcapades.

Music nowadays, is now about drug, sex and woman body parts.

In fact, the whole place has been sexualized but I am factually telling you that the people of world has highly overrated sex as to its purpose ad the person.

Christian courtship is never built on sex and even happy marriages are never built on sex and sex alone because marital sex as sweet and important it is in marriage is the least of your worry. By the time, different *stressors* from various angles jump on, you will ‘de-urge’ naturally and I am also 100% telling **sex is worth waiting for** because by week four of your marriage, you are probably tired of it.

There are many times either my wife or I or both of us are horny but we didn’t have sex because either the horny one is tired or both of us were as a result of the daily job and we are fine the next day. Possibly that may be the reason why all those three married men, I interviewed before my wedding didn’t mention sex as one of the causes of misunderstanding in marital relationship.

Can sex influences misunderstanding in conjugal union? Yes, but it’s the least of things that does.

Additionally, I am telling you that all the lessons you have gotten from secular films especially pornography are lies. Porn is make-belief, untenable and godless sexual escapades. How are you going to use 3 hours having sex as porn said it is, when you are not on hard drug?

## **Who you associate with.**

Your friends, whether on or offline, mentor, favorite celeb and various associations you are part of, will determine to a large extent whether you will run this sexual purity race successfully or not. It will be very difficult for you to run this race if majority of your associations are sexually loose individuals because, definitely you will reflect them.

***‘People learn from one another, just as iron sharpens iron.’ (Proverbs 27:17, GNT).***

## CHAPTER 3

### WHAT ABOUT ORDINARY KISSING AND ONCE-IN-A-WHILE TOUCHING?

Nothing is ordinary in sexual matter including kissing, hugging, touching.

Dearly beloved, nothing is.

To be honest, kissing is not a sin neither is touching, hugging, etc. If done in marriage it is great but out of wedlock, it can lead to sin especially between two people *in love*.

All of them are called foreplays, i.e., they do preceded actual sexual acts and they too can give the exact pleasures of sex. They are also called non-penetrative sex.

My dear, sex doesn't happen phew like it. It is trigger and the triggering sets up a lot of processes - starting from imagination to actual expression. Kissing, hugging, caressing, touching and co fall naturally into sex triggers and doing it is tantamount to carrying a fire in your bosom - you will be burn, waking up love at inappropriate time and eating with the devil with a long spoon - devil will swallow both you and the spoon.

Three times, King Solomon's bride warned us in songs of Solomon not to awaken love until it is appropriate. Indiscriminate kissing and hugging will set unnecessary fire in your body which you may not be able to regulate.

***'Young women of Jerusalem, promise me by the power of deer and gazelles never to awaken love before it is ready.'* (Songs of Solomon 2:7, 3:5, 8:4, CEV).**

Two, can you shamelessly kiss in front of your parents, parents and mentors? I doubt if you can. Remember, anything done without faith is sin.

But what of the whites whose kissing and hugging is their way of greetings? Affirmatively, that was their culture but they don't kiss and hug indiscriminately.

## Chapter 4

### HOW THEN DO I REMAIN SEXUALLY PURE?

Like I said at the beginning of this book, God does not just want you to be virgin, He wants you to be sexually pure, that is, no touching, fondling, caressing, stroking and any activity that arouse someone to engage in sex till wedding night.

Now, to the ladies who are wondering if there are still guys out there who will not only agree to no sex till marriage but will also not ask for it till marriage, I can confidently tell you that *there are many guys who have covenanted with their Lord not to have sex till they are marry*. I was one of them before I married at 32 years of age. God cannot lack Joseph and Esther in every generation.

Do you want to be sexually pure? Then apply the following tested and trusted principles:

1. **Fear God:** Many people will pick determination as the first step but determination isn't, holy fear of God is. It is only the fear of the Holy One that can make you to say, *'how can I do this and sin against God.'* It is also the fear of Him that can make you to flee all appearances of evils like Joseph and fearing God simply mean trusting and relying on God and His word to uphold you to the end.

Without the fear of God in you, the power of your flesh will fail. I can confidently tell you that.

2. **Go with the person that have the same value:** When my wife and I started courting, I didn't ask her if she shares the value of no sex before marriage with me because I am sure she is an advocate and being on the same page really helped our courtship and later sweeten our marital lives.

Seriously, you may not be sure about your spouse's stance on sexual purity, that is why you need to ask him/her what he/she thinks about no sex till Marriage. My dear, if you want your sexual purity journey to be easy, date, court, befriend, associate with and follow someone who you are on the same page with, not just in abstinence only but also in general sexual matters.

*'can two walk together, except they be agreed?' (Amos 3:3, KJV).*

Remember, he may be in the choir and count this as archaic law. Run from him. She may also be tongue speaker and believe not in this golden law. Don't ever date her. Charisma is different from characters.

3. **Be mindful of what you see, what comes out of your mouth and listen to:** You can't be reading *Mills and Booms* every day, chat sexually all day, watch sexually-charged movies, listen to music that talks about sex, nudes and drug every hour, read from those who do sex tapes every minute and or applaud those nudity challenges online, here and there, and still wishing to keep yourself. It will be very difficult. In fact, it is like you, tempting the devil personally.

The solution is to be careful of what you watch and hear. Watch godly gospel films that sanctify and edify your body, soul and spirit.

Screen who you read on social media.

Listen to only edifying songs.

Follow only Bible practicing celebrities on social media.

Apart from them edifying and sanctifying you, those godly music, books, updates, etc., helps in de-stressing your body from unnecessary urge.

***'In conclusion, my friends, fill your minds with those things that are good and that deserves praise: things that are true, noble, right, pure, lovely and honorable.'* (Philippians 4:9, GNT).**

4. **Be determined:** Before I had my first girlfriend at age 17, my determination to be virgin till I marry is already a foregone conclusion.

This kind of determination is the one you made before getting boy or girlfriend. It may earn you insults, jeering name-calling like old school, illiterate, ignoramus, etc., castigation and allegations but it will earn you respect and accolades from God.

It also connotes giving it all it takes for you to be sexually pure. You are not concern about what you might lose and in fact you might lose that non-believer boyfriend, girlfriend, associates of yours, deals, endorsements, etc., or gain, you just want to obey God.

***'the three men replied, 'Your Majesty, we don't need to defend ourselves. The God we worship can save us from you and your flaming furnace. But even if he doesn't, we still won't worship gods and the gold statues you have set up.'* (Daniel 3:16-18, CEV).**

The fear of God in you mixed with godly determination like Daniel will forbid you from touching, caressing, fondling and fore-playing. They will also prevent you from co-habiting.

5. **Get busy:** sexual urge will come but once it meets you busy with other important matters of life, it will leave you naturally. Instead of battling with desires, why can't you take a walk through the neighborhood, pray, read a book, learn a skill, etc., with your intended spouse outside?
6. **Do not tempt the devil:** some of us think we are Superman and superwoman when it comes to the issue of sex. We thought simply because we sing in the choir, teach in the Sunday School, speak in tongues or engage in one or more spiritual activities, we are immune to sexual sin. I wish to disappoint you that despite the treasure of Holy Spirit in you, you are still an earthen vessel. It was your spirit that became regenerated at the cross, none of your body and soul was. That is why you can still think evilly as a Christian and your body still feels hunger, sexual desires and other human longings. Don't cohabit thinking nothing will happen because you both are tongue speakers. In fact, many things will happen by tempting the devil because obviously, he isn't tempting you. Don't sit on brother's lap because he casts out demons everyday thinking he is above sexual stimuli. He is not. Don't have vigil with him inside his room and don't talk into the middle of the night behind closed doors, thinking that you are strong since you are consistent fasters. Doing so is tempting the devil.

***Stay awake and pray, so that you won't enter into temptation. The spirit is willing, but the flesh is weak." (Matthew 26:41, HCSB).***

The spirit may be willing but the flesh is always weak so don't make it weaker by sexually turning yourself on by unchristian lifestyle.

***You cannot fool God, so don't make a fool of yourself! You will harvest what you plant. If you follow your selfish desires, you will harvest destruction, but if you follow the Spirit, you will harvest eternal life (Galatians 6: 7 – 8, CEV)***

Additionally, so that your hunter will not become the hunted, flee from any objects, activities circumstances, people that brings seduction.

***Flee all appearances of evil (1 Thessalonians 5:22, KJV).***

***Flee from sexual immorality!... (1 Corinthians 6:18a, HCSB).***

*Now you, man (woman) of God, run from these things: but pursue righteousness, godliness, faith, love, endurance and gentleness (1 Timothy 6:11, HCSB. Word in bracket mine).*

*And don't give devil a chance (Ephesians 4:27, CEV)*

7. **Set boundaries:** a lifestyle without a belief system or code to hold on to is a dangerous life. Between your partner and you, there should be a clear cut, well defined boundaries of how far he/she can bodily touch you to the exclusion of all sensitive parts and once the person cross the line, you must remind the person of the agreement and if the person won't listen, carry your bag and go home.

**The best boundaries to set as a Christian is no touching, no kissing, no hugging, no smooching, no fondling, no foreplays until you are marry.**

8. **Be accountable to a higher authority:** not just any authority but authority that also believes in this principle and I will advise that they be a Christian couples. This authority figures can advise you, correct you and act as a safe guard when the body wants to act funny.

These authority figures can also share the journey of how God helped them then as a singles and now as married plus the good rewards they are reaping now because of that decision. Their testimonies can also help you.

An authority figure can also relate a not-to-funny moments on the journey of sexual purity and how they overcame so that you won't make the same *mistakes*. I remembered our mentors relating how they were able to survive night together inside the same house without stains.

Actually, the sister went for an occasional visit to her fiancée in Kaduna state from down south and the place where it was arranged for her to sleep was suddenly unavailable. You know, what they did? The brother have to be locked inside the toilet for his sleep and the key to the toilet firmly in the hand of the sister. This testimony helped my family to give it all it takes even though we are in the same location.

Having someone you give account to will help you to know that crossing the red line have consequences.

- 9 **Double Date:** One of the ways, you can keep yourself till your wedding night is by DOUBLE DATING or even TRIPLE DATING.

Before, you stone me for saying that, let's get the definition of double dating first by knowing what is not double dating.

What we refer to as Double Dating in Nigeria is a situation whereby a single person has two or more person he/she is courting or dating but in the actual and dictionary sense, that is not the meaning of double dating, that is unfaithfulness.

The real meaning of DOUBLE DATING is a situation, setting or system in which two or more dating/courting couples go on a date. That is instead of you and your lover alone on that date night, you go with other courting friends.

The dates could be to an eatery, church programs, cinemas, reading clubs, one of the partnering couples' abode, etc., to read, gist, play, pray, share ideas and opportunities, etc. The idea is that you and your lover are not alone.

Before highlighting the benefits derivable from it, let me sound a note of action and warning; **PARTNER ONLY WITH DATING COUPLES WHO ALSO BELIEVE AND IS PRACTICING TOTAL ABSTINENCE TILL MARRIAGE.**

This will help you to avoid any funny bodily reactions that can lead to sex because the avenue to be alone with LOML has been greatly reduced if not totally eliminated.

This will also strengthen your intended family interpersonal relationship.

It can also be an opportunity to share pros and cons of your relationship with one another so as to be encouraged. You may discovered that boo or bae is not acting abnormally.

A learning arena can be created as you can also learn one or two dating and loving tips from one another.

Through this double dating, a family friendships can be initiated.

You will assume a 'monitoring spirit' to one another. Not that you and your fiancé won't have we-too moments but that moments will be under the watchful eyes of your partnering couples and vice versa.

9. **Pray:** Bible says, pray always. Prayers cannot be too much. If you are still a virgin, your prayer is a preventive prayer that God should help you to the end. As a non-virgin, it is curative to abide by the end and as a victim of rape, to heal.

True prayer is neither a mere mental exercise nor a vocal performance. It is a spiritual transaction with the creator of heaven and earth.

By praying, you are tactfully telling God that you depend on Him for strength and we are sure of this, He never fails.

Will this be easy? I never said it will, but I can tell you that it is a worthwhile adventure which many have done, are doing and will do, the challenge before you now is, will you be part of them?

## CHAPTER 5

### WHAT WILL I GAIN BY OBEYING GOD?

A popular Bible verse says, *'if you will obey me, you will eat the good things the land produces.'* (Isaiah 1:19, GNT). The *land* of sexual purity produces many good things accruable to every aspect of one's life. Some of them are:

1. **God's favor and blessings:** By not engaging in premarital sex signifies trusting God, His judgement and His love while not depending on your strength and for those who trust in the Lord, they shall never be put to shame and they will obtain favor from the Lord like Mary – the mother of our Lord Jesus Christ and they are blessed for obeying Him.

*'Now if you obey the LORD your God and is careful to follow all His commands I am giving you today, the LORD your God will put you far above all the nations of the earth. All these blessings will come and overtake you cause you obey the LORD your God.'* (Deuteronomy 28:1-2 ff, HCSB).

Remember, His 7<sup>th</sup> law is,

*'do not commit adultery.'*

2. **Respect:** Till this present moment, virginity is still a thing of joy and pride in front of those who matter in life. I have never read or heard that a person regrets ever staying pure. Not a single person has ever but we have read hundreds of sorrowful posts and write-ups of how he dumped her after 7 abortions or how his business went comatose after sleeping with her. Such stories abound and by abstaining you will respectfully and joyfully never be part of the number.

Additionally, your spouse will respect you for exclusively giving him/her the whole of you.

Your in-laws will respect you for being such a disciplined child and people of timber and calibers will respect you because God has favored you.

3. **Living testimony:** I was able to write this book because my wife and I are part of many living testimonies of couples helped by God to be pure till wedding night.

Won't you be happy you are part of God's loyal servants?

Won't you be happy that your testimony can prevent a person from falling into immoralities?

Won't you be happy that you can rescue someone from the miry of sexual sins?

Won't you be happy to encourage someone that it is 100% possible to stay undefiled in this sexually crazy world?

Won't you be joyous if you are pointed to as an ambassador of purity?

I am happily writing this book as a living testimony to encourage someone to continue purity and rescue someone from immoralities.

4. **Peace of mind:** You will enjoy perfect peace of mind for obeying this golden instruction because you will not fear what they are fearing.

No fear of heartbreaks because your body is not part of the equation.

No fear of your partner cheating on you if you can't satisfy sexually and even if he/she cheats because you didn't succumb to illegality, it will be good riddance to bad rubbishes.

No fear of unwanted pregnancy that can disrupt your future.

No fear of unmet expectations.

No litany of exes.

No fear of demonic covenant.

No fear of occultic initiation.

Is it not wonderful to be a peace with yourself and your God?

5. **Loyalty and trust building:** By staying pure, you are telling your future spouse that I am worthy to be trusted, depend on and lean on by presenting the whole of me to you.

You are also telling him/her that dear, you can travel for a brief period for your further studies, nothing will happen to our bed. Now tell me, who wouldn't like a dependable person to marry?

It also means you are communicating with the coming one that I have no one besides you. I am loyal to you. Also tell, me if you won't cherish loyalty too?

Blessed is that man who has absolute trust that gateman will not warm his matrimony bed when he travels!

Happy how is the lady that sleeps soundly at night because his loyal husband got no side chick!

6. **Future Sexual enjoyment:** Do you know why you know that one food from different cooks is sweeter than the other is because you can make the

comparison as a result of tasting both. If you haven't tasted both, you won't have data for comparison.

Scientifically, the person you have sex with has a portion of him/herself deposited in you and that is one of the reasons those people who did not keep themselves before marriage are having frustrating marriage because they can compare the sexual prowess of their spouses with their exes whereas no two people are the same and this lead to the competition which in turn lead to frustration and extramarital affairs.

By staying off sex, for now, you are preventing future comparison, frustration and adultery because you have no data to, compare with which will, in turn, enhance great sexual enjoyment in marriage.

## **But Who purity helps?**

Purity helps a lot of people but I haven't seen, heard, met or read who fornication and adultery help?

You can choose to obey God or choose to listen to the noise of ungodly people but remember this; every behavior has consequences and you can only choose your behavior, you can't choose the consequences. By abstinence, you will enjoy all the aforementioned benefits and much more but if you disobey, just realize that you are setting yourself up for God's wrath, destiny damages, frustration, suspicion, regrets and fear.

Now, decide to stand with God or stand against Him but I beseech you to stand for God.

## CHAPTER 6

### BUT THEY SAID VIRGINITY DOESN'T GUARANTEE HAPPY MARRIAGE?

To answer your question, I will reply with an article wholly written by Mr C. N. Ebere, a sexual purity advocate, an author and a freelancer on his Facebook timeline on June 8, 2021, titled [VIRGINITY IS NONSENSE](#)

Read and be blessed.

“If virginity is all you have to give, get out and all the bla bla bla,” they roar. Even those who are not virgins and also senseless are attacking people that did many things they can’t do. Dear virgins, if virginity is all you have, you have a lot. The demeaning words of people against you shouldn’t move you. First and foremost, it is not easy to be a virgin especially in a world like ours. A world where immorality is dominating. A world where the church is not even free from it.

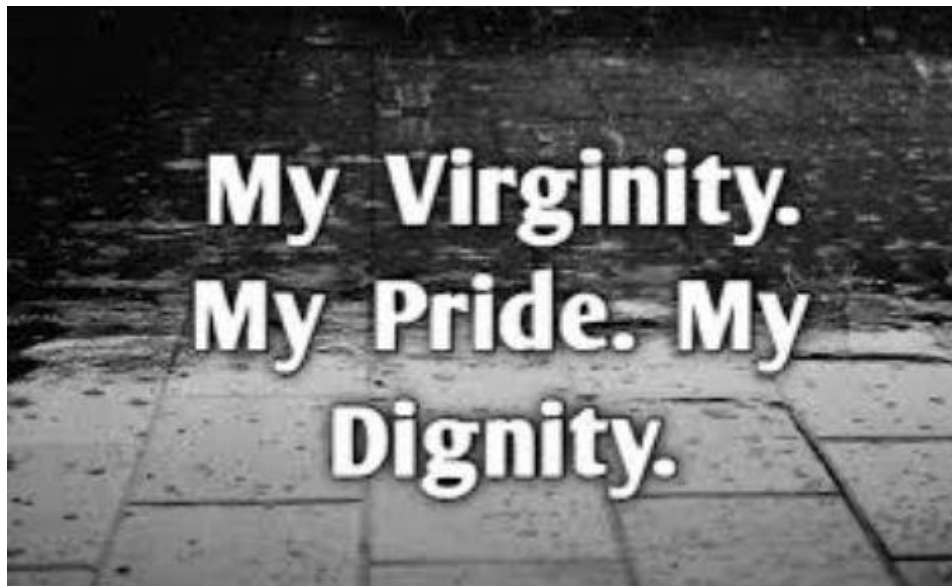

Image source: Google.

For you to be a virgin, it shows you are decisive in nature. You took a firm decision and you’ve kept it. This is a decision Bible study teachers find difficult to keep. This is a decision tongue speaking champions and those attacking you can’t keep. Do you know many who cried that I should help them overcome? Do you know someone following me up when I joined a fellowship was telling me to help him escape? Do you know many of your fathers in the church and home have destroyed teens? Many have advised you wrong, tried to entice you, to have you but you refused.

That's a very high level of decision. Keep it up. Decision is a trait that many lack and it shows you're not only a virgin but a decisive human.

To be a virgin shows you're disciplined – sexual control cum self-control are rare characters in our generation. Even those who condemn your stance are as free as water, drinking water from every well. You have a higher tendency of doing exploits in life when you can control sexual desires and pressure, so, you've something to offer. Don't allow the hate from people on your stand to wait till marriage affect you. Dear stupid counselor and influencers, if you've nothing to say or write, keep your mouth shut and stop expressing your ignorance. If they have sense, they'd have known this and rather than bash them, they'd have encouraged you and asked you to tell them how you did it. If you are able to control your zip in life, you're able to achieve many things in life. C. N. Ebere.

# CHAPTER 7

## I AM NOT A VIRGIN ANYMORE, IS THERE ANYTHING FOR ME?

Let's start like this.

*'All have sinned and come short of the glory of God.'* (Romans, KJV).

Even virgins have sinned and that is the second reason God doesn't want you to be a virgin, He wants you to be undefiled. Virgins can go to hell if he/she fails to accept Jesus as Lord and Savior but it takes the grace of God to be undefiled.

That you are not a virgin anyone consciously is a call to stop wallowing in your sin of premarital sex and subscribe to the purity package.

You can stop if you want by repenting and dedicating the whole of your life to purity. Jesus will wipe your slate clean as if you haven't had sex before because He will forgive you and remember your sin no more, then follow all the steps outlined in this book.

Probably you lost your virginity through rape and since that unfortunate incident, you have kept yourself, even though you can't be medically tagged a virgin but in this sight of your heavenly Father, you are a virgin, an ambassador of purity and He is happy you did not let circumstances define you.

*'whose report will be believed?'*

Peradventure, since the bad incident, you have concluded in your heart that there is nothing to keep again, I charge you dearly beloved, there is a purity to keep again and that God still wants you to make the right decision for Him. He wants you to stop using your calamity as a springboard for sin and He wants you to heal completely whereas sin causes pains.

To all, I bring you the message of joy, hope, righteousness and peace. Receive it in Jesus mighty name.

### **It will be joyous and perfect if you ...**

To be a virgin is a joy.

To be sexually pure is a thing of pride.

However, it will be very okay and perfect if you are born again, i.e. not just staying away from sexual sins but staying away from all sins.

The story of ten virgins perfectly illustrated the dangers of being a virgin without being born again. The wise virgins were born again while the foolish ones though they go to church (by being an acquaintance of the bridegroom – Jesus Christ), live a pious life and give alms missed out because they were not born again and not being born again is to be self righteous which is a filthy and a prideful thing to do.

How do I become born again? Confess Jesus as your Lord and Savior with your mouth after confessing your sin, get a Bible if you don't have one and join a Bible-believing church for fellowship.

Finally, as a recap, God doesn't want you a virgin alone, He wants you to be sexually pure because virginity ends on your wedding night but purity continues and what does sexual purity mean? It means no sex, foreplay, fondling of genitals, kissing, orgies, etc., till marriage and no such things with another man or woman who isn't your spouse in marriage and no involvement in perversion like same-sex relationship, masturbation, pornography pre and in marriage with anyone.

May God keeps all of us in Jesus name.

Shallom.
